This screenshot shows a CRM dashboard interface. On the left, there's a sidebar with navigation links: Dashboard (which is selected and highlighted in blue), Customers, Employees, Reports, and Settings. The main content area has a dark header bar with the text 'Welcome, madhvi'. Below this is a search bar with the placeholder 'Search Customers, Employees...' and a yellow 'Search' button. The central part of the screen displays 'Search Results' for 'Customers', showing one result: 'nidhi — 9006517871 - patna'. Below that, there's a section for 'Employees'. At the bottom, there's an 'Overview' section with three cards: 'Total Employees' (58 Employees working), 'Total Customers' (120 Active Customers), and a 'Reports' card with the sub-instruction 'View sales & activity reports'. A URL 'https://localhost:7013/Dashboard/UserDashboard' is visible at the very bottom left.
